Highlights

A pound of pasta in 15 minutes

With advanced engineering and robust material and build of the machine, the Philips Pasta maker can exert ~1600 lb force on the dough during extrusion, which not only enables a fast making process in just 15 minutes, but also guarantees perfect texture and taste of the pasta.

A fully automatic solution

After choosing program and pressing start button, the machine automatically mixes, kneads and extrudes in one go.

Unique shaping discs

With the machine there are 4 default shaping discs for Spaghetti, Penne, Fettuccini and Lasagna. More shaping discs will come as additional accessory for different type of noodle and pasta.

One-push cleaning tool

There are specially designed cleaning tool matching the shaping discs (Spaghetti and Fettuccini) that makes cleaning an easy one-push job.

Smart storage space

At the bottom of the Pasta maker there is a storage drawer where you can easily store the shaping discs and cleaning tools.

Different type and flavor

By using different flour and adding different ingredients like egg, herbs or spinach and carrot juice, you can make various type and flavor of pasta

Recipe book

Accompanying with the machine there is a colorful recipe book provides ingredient list for 24 different types or flavors of pasta and recipe for over 20 pasta / noodle dishes
